Section 19.03.36055 - Micrositing

The process of final location of wind generators and all wind generating facility structures and internal roads within the approved project corridors/areas. (Adopted 11/16/09, Ordinance # 070081)

Section 19.03.36159 – Mineral Resource Area

Lands that are not already characterized by urban growth and are of long term commercial significance for the extraction of aggregate and mine resources, including: sand, gravel, and valuable metallic substances.

Section 19.03.3629 - Mobile/Manufactured Home

A structure that is transportable in one or more sections, built on a permanent chassis, and designed to be used with or without a permanent foundation when connected to the required utilities; but not including recreational vehicles or travel trailers. For flood management purposes only, the term also includes park trailers, travel trailers, and other similar vehicles placed on a site for greater than 180 consecutive days.

Section 19.03.370 - Mobile/Manufactured Home Park

Any lot on which three or more mobile/manufactured homes, occupied for dwelling or sleeping purposes, are located on leased mobile/manufactured home spaces.

Section 19.03.380 - Mobile/Manufactured Home Space

A plainly marked plot of ground for the placing of a mobile/manufactured home.

Section 19.03.385 - Monopole

A freestanding or guyed single pole construction that supports such things as a wind generator, wind measuring devices, or telecommunication and radio devices. (Adopted 11/16/09, Ordinance # 070081)

Section 19.03.390 - New Construction

Structures for which the start of construction commence on or after the effective date of this ordinance.

Section 19.03.400 - New Mobile Home Park, New Mobile Home Subdivision

A parcel, or contiguous parcels, of land divided into two or more mobile home lots for rent or sale for which the construction of facilities for servicing the lot (including at a minimum, the

installation of utilities, either final site grading or the pouring of concrete pads, and the construction of streets) is completed on or after the effective date of this ordinance.

Section 19.03.410 - Nonconforming Lot

A lot of record which was lawfully established, existing and maintained at the effective date of the provisions of this title but which, because of the application of this title to it, no longer conforms to the regulations prescribed in this title for the use district in which it is located.

Section 19.03.420 - Nonconforming Use or Structure

A building, structure or land use which was lawfully established, existing and maintained at the effective date of the provisions of this title but which, because of the application of this title to it, no longer conforms to the regulations prescribed in this title for the use district in which it is located.

Section 19.03.421 - Non-Participating Landowner

Any landowner except those on whose property all or a portion of a Wind Generating Facility is located pursuant to an agreement with the Facility Owner or Operator. (Adopted 11/16/09, Ordinance # 070081)

Section 19.03.422 - Occupied Building

A residence, school, hospital, church, public library, or other building used for public gathering that is occupied or in use when the permit application is submitted. (Adopted 11/16/09, Ordinance # 070081)

Section 19.03.423 – Off-site

“Off-site” means hazardous waste treatment and storage facilities that treat and store waste from generators on properties other than those on which the off-site facilities are located.

Section 19.03.425 – Open Area

The area of a parcel not covered with impervious surfaces, such as crop land, wetlands, buffers, grass swales, retention ponds, septic system drainfields and vegetated or landscaped areas. Not counted as open area are all roads, circulation areas, parking and loading areas, and the space occupied by structures and outdoor storage.

Section 19.03.428 – On-site

“On-site” means the same geographically contiguous or bordering property. On-site hazardous waste treatment and storage facilities treat and store wastes generated on the same property.

Section 19.03.430 - Overlay District

A set of regulations prescribed by this title for certain defined areas of land which shall apply to all uses, buildings and structures in said areas in addition to those regulations prescribed by this title for the use district in which such areas of land are located.

Section 19.03.434 – Parcel

See Lot, Lot of Record.

Section 19.03.435 - Operation Site (mining/quarry)

A site that includes the area for rock crusher(s), stockpiles, mining operations, and haul road(s). The inclusion of the haul road(s) in this definition is for adjacent landowner notification only. The haul road(s) is not included in determining if an administrative use permit or a conditional use permit is required. (Revised 2/7/11, Ordinance #071612).

Section 19.03.436 - Operator

The entity responsible for the day-to-day operation and maintenance of the commercial wind energy facility.

Section 19.03.438 Permit

An approval for which there is a minimum standard, as stated in any of the relevant ordinances or state law, which must be met in order for the approval to be given.

Section 19.03.440 - Person

A person, firm, trust, partnership, association or corporation.

Section 19.03.450 - Planning Director

The Director of the Whitman County Planning Office or his/her designee.

Formatted: Font: Bold, Underline

Section 19.03.452 - Public Park

An area of land for the enjoyment of the public, having facilities for rest and /or recreation, such as a baseball diamond or basketball court, owned and/or managed by a city, county, state, federal government, or metropolitan park district.

Formatted: Font: Bold, Underline

Section 19.03.4532 – Pullman-Moscow Corridor District North and South (N-PMC & S-PMC)

See Boundary, Section 19.15.020(2) and 19.16.020(2). (Adopted May, 2003; Resolution No. 061233) (Adopted 2/7/11, Ordinance # 071612)

Section 19.03.4543 - Project Corridor/Area

The approved area within which all the components of a wind generating facility are located. This includes the turbines, all new access roads to the facility, above-and-below-ground electrical transmission lines, all buildings and uses associated with a wind energy facility including meteorological towers and temporary concrete and asphalt batch plants. (Adopted 11/16/09, Ordinance # 070081)

Section 19.03.4554 – Recreational Vehicle

A vehicle which is: (a) built on a single chassis; (b) 400 square feet or less when measured at the largest horizontal projection; (c) designed to be self-propelled or permanently towable by a light duty truck; and (d) designed primarily not for use as a permanent dwelling but as a temporary living quarters for recreational, camping, travel, or seasonal use. (Adopted May, 2003; Resolution No. 061233)

Section 19.03.4565 - Recycling Facility

Any operation for material salvage, storage, transport or product manufacture or re-manufacture, which utilizes recyclable materials.

Section 19.03.4576 – Resource Lands

1. Definitions. Resource lands include the following:

Agricultural land;
Forest lands;
Mineral lands;

These lands are further defined by the act as follows:

- A. "Agricultural land" means land primarily devoted to the commercial production of horticultural, viticulture, floriculture, dairy, apiary, vegetable, or animal products or of berries, grain, hay, straw, turf, seed, Christmas trees not subject to the excise tax imposed by RCW Sections 84.33.100 through 84.33.140, or livestock, and that has long term commercial significance for agricultural production.
 - B. "Forest land" means land primarily useful for growing trees, including Christmas trees subject to the excise tax imposed under RCW Sections 84.33.100 through 84.33.140, for commercial purposes, and that has long-term commercial significance for growing trees commercially.
 - C. "Long-term commercial significance" includes the growing capacity, productivity, and soil composition of the land for long-term commercial production, in consideration with the land's proximity to population areas, and the possibility of more intense uses of the land.
 - D. "Minerals" include gravel, sand, and valuable metallic substances.
2. Agricultural lands, as defined herein, are conserved within the jurisdictional boundaries of Whitman County. The county has identified agriculture and the family farm as the primary economic and social resources of Whitman County in the land use element of the Whitman County Comprehensive Plan. The land use element of the Whitman County Comprehensive Plan prevents "...the indiscriminate or excessive changes in land use." Further restrictions or controls may apply by the measures, procedures, and land use criteria found in the Whitman County Zoning Code implementing the goals and objectives of the comprehensive plan.
 3. Mineral lands are preserved through the implementing strategies of the county wide zoning code. The zoning code has an established policy which, prevents, limits, or discourages land uses which are not resource based in nature; agriculture, agribusiness, mineral extraction, and/or storage of related materials.
 4. Nonfarm residential development, businesses not related to agriculture and which are not in conflict with higher density or urbanized development, and other types of development reliant upon urban type services are discouraged outside of the incorporated, urbanized centers of the county, or those historically recognized and established rural communities.
 5. The Whitman County Zoning Code implementing the goals of the comprehensive plan, does, in fact, restrict and control nonagricultural development outside of the incorporated cities and towns and the few historically established and designated (in the comprehensive plan) unincorporated communities. The zoning code establishes certain policies and procedures which are designed to ensure that resource lands are conserved. These measures do, in fact, promote the goals and objectives of the Growth Management Act by limiting or restricting urbanization of existing agricultural or mineral lands outside of the incorporated cities and towns.

Section 19.03.458 - Secondary School

A high and/or middle school with a physical location. A school for students who have completed their primary education, usually attended by children in grades seven to twelve and recognized by the Washington State Superintendent of Public Instruction.

Section 19.03.460 - Service Building

A building or buildings having toilet facilities for men and women, with laundry and bathing accommodations.

Section 19.03.464 – Screening

See 19.15.080(6), Landscaping.

Section 19.03.467 – SEPA

The State Environmental Policy Act, as adopted by Whitman County, Title 9, February 14, 1979 and as there-after amended.

Section 19.03.470 - Setback

The distance in feet as measured from a lot line to the sill line of a building, or the closest point of a structure to the lot line. In the case where there is a leased area within a parcel of land the setback shall be measured from the lease line to the sill of a building, or the closest point of a structure to the lease line. (Adopted 6/1/09, Ordinance # 069589)

Section 19.03.475 - Shadow Flicker

Shadow flicker occurs when the blades of a turbine rotate in bright conditions, casting moving shadows resulting in alternating changes in light intensity. (Adopted 11/16/09, Ordinance # 070081)

Section 19.03.480 - Sign

Any freestanding structure or portion thereof identifying the premises on which it is located, or the occupants thereof, or relating to the goods or services manufactured, produced or available on the premises. This definition shall not apply to temporary signs such as those for political campaigns or for the sale of the premises itself, nor shall it apply to mailboxes.

19.03.485 – Site

Any parcel of land or contiguous combination thereof, where activities are proposed, performed or permitted.

Section 19.03.491 - Small Wind Energy Generator

A wind energy conversion system consisting of a wind turbine(s), a tower(s), and associated control or conversion electronics, which has a rated capacity of not more than 100kw and no greater than 125 feet in height which is intended to primarily reduce on-site consumption of utility power. (Adopted 11/16/09, Ordinance # 070081)

Section 19.03.492 – SPRC (Site Plan Review Committee)

See 19.15.025 (3) and (4).

Section 19.03.495 - Start of Construction

Includes substantial improvement, and means the date the building permit was issued, provided the actual start of construction, repair, reconstruction, placement or other improvement was within 180 days of the permit date. The actual start means either the first placement of permanent construction of a structure on a site, such as the pouring of slab or footings, the installation of piles, the construction of columns, or any work beyond the stage of excavations; or the placement of a manufactured home on a foundation. Permanent construction does not include land preparation, such as clearing, grading and filling; nor does it include the installation of streets and/or walkways; nor does it include excavation for a basement, footings, piers or foundation or the erection of temporary forms; nor does it include the installation on the property

of accessory buildings, such as garages or sheds not occupied as dwelling units or not part of the main structure.

Section 19.03.500 - Structure

Anything constructed or erected which requires location on the ground or attached something having a location on the ground, but not including fences less than six feet in height, EXCEPTING THAT "structure" for the purposes of applying the regulations prescribed by the Flood Management Overlay District of this title shall mean any walled and roofed building or mobile home that is principally above ground.

Section 19.03.508 – Substantial Damage

Damage of any origin sustained by a structure whereby the cost of restoring the structure to its before damaged condition would equal or exceed 50% of the market value of the structure before the damage occurred. (Adopted May, 2003; Resolution No. 061233)

Section 19.03.510 - Substantial Improvement

1. Any repair, reconstruction, or improvement of a structure, the cost of which equals or exceeds 50% of the market value of the structure, either:
 - a. Before the improvement or repair is started, or
 - b. If the structure has been damaged and is being restored, before the damage occurred. For the purposes of this definition, "substantial improvement" is considered to occur when the first alteration of any wall, ceiling, floor or other structural part of the building commences, whether or not that alteration affects the external dimensions of the structure.
2. The term does not, however, include either:
 - a. Any project for the improvement of a structure to comply with existing state or local health, sanitary, or safety code specifications which have been identified by County Building Inspection, Environmental Health or Planning staff and which are the minimum necessary to assure safe living conditions, or
