

**WETLANDS CONSULTANTS
WILLING TO WORK IN EASTERN WASHINGTON
May 2017**

Listed below are consulting firms that have expressed their availability to work on wetland issues for development proposals in Eastern Washington. This information is being provided to the public as a starting point for contacting or retaining a wetlands expert. This list is not exhaustive; there may be many other qualified wetland experts not listed. The fact that a consultant appears on this list does not constitute a recommendation by Whitman County.
