Statement from the Whitman County Sheriff's Office regarding upcoming changes to the law which take effect Sunday July 25th.

COLFAX, WA- The men and women of the Whitman County Sheriff's Office will continue to provide the citizens of Whitman County with the highest levels of professionalism as we perform our essential duties. The job of a law enforcement officer is difficult and often uncertain, however with the amazing support we receive from our community, we are confident we can continue to accomplish our primary mission, to protect and serve.

Please understand that many of the new legal requirements placed upon our law enforcement officers across the State will have an impact on the services we can provide. We hope to work with our elected officials and legislative bodies in the coming months to address and remedy many of the concerns we share with our citizens surrounding these new laws. Our goal is to work together to ensure our great State continues to provide excellence in law enforcement for generations to come.

Thank you for your continued support.
