MEDIA RELEASE

September 26, 2022

One Person Injured During Single Vehicle Collision on Albion Road.

COLFAX, WA – Monday Afternoon, deputies responded to a single vehicle collision about a mile west of Pullman on Pullman Albion Rd.

Based on the initial information, investigators believe the driver of a late model Toyota Prius was traveling EB at a high rate of speed when she lost control of her vehicle. As the driver attempted to correct her actions, she then crossed over into the opposite lane of travel, driving off the roadway causing the vehicle to roll several times.

Emergency crews from the Albion and Pullman Fire Department's responded, attending to the injured driver. The driver was flown via Life Flight to Spokane for what are believed to be serious but non-life threatening injuries.

At this time investigators believe speed was a major factor in this collision. It also appears the driver was not wearing her seatbelt at the time of the accident.

The investigation is ongoing at this time.
